

# Case Cart and Mobile Equipment Repair

## We provide Quality Clinical Equipment Repair

At Optimum Surgical, it is our mission to partner with healthcare facilities to better maintain clinical equipment in a cost effective manner. We are dedicated to providing reliable, quality repair services that significantly reduce costs and increase clinical efficiency while providing unparalleled service. Using only quality replacement components, we ensure that all devices perform as intended giving you the peace of mind you deserve.

Optimum Surgical has the expertise, parts and capabilities to keep your case carts and mobile hospital equipment moving smoothly and quietly. From casters and hinges, to bumpers and extensive welding, Optimum Surgical can rejuvenate your mobile equipment and save you money. Whether it be reactive repair or comprehensive proactive preventative maintenance, you can avoid astronomical replacement costs by utilizing Optimum Surgical for case cart and mobile equipment service. All repair and replacement components meet or exceed OEM specifications and are designed and engineered to stand up to the rigors of your healthcare environment.

**Free Estimates.** Free estimates available for all case cart and mobile equipment repairs.

**Satisfaction Guaranteed.** We offer a 100% satisfaction guarantee for all case cart and mobile equipment repairs. If you are not completely satisfied with the quality and/or workmanship of your repair(s), Optimum Surgical will fix or replace the item(s) free of charge.

**Quick Turnaround and Reduced Downtime.** Optimum Surgical offers onsite case cart and mobile equipment repair. All repair work is completed onsite, in one of Optimum Surgical's mobile repair labs.

**Cost Savings.** Customers who utilize Optimum Surgical for case cart and mobile equipment repair realize savings between 20% and 75% over OEM replacement costs.

**Preventative Maintenance.** Optimum Surgical offers preventative maintenance programs that reduce the frequency and severity of repairs and extend the life and lower the costs associated with maintaining your case carts and mobile equipment.
